The Art of Marriage

It is never being too old to hold hands.
 It is remembering to say "I love you"
 at least once each day.

It is never going to sleep angry.
 It is having a mutual sense of values and
 common objective.

It is standing facing the world.
 It is forming a circle of love that gathers
 in the whole family.

It is speaking words of appreciation and
 demonstrating gratitude in thoughtful ways.
 It is having the capacity to forgive and forget.
 It is giving each other an atmosphere
 in which each can grow.

It is a common search for the good
 and the beautiful.

It is not only marrying the right person,
 it is being the right partner.

IN THE CHURCH LIBRARY

"Just Like Jesus"
By: Max Lucado

Lucado skillfully applies humorous analogies and down-to-earth wisdom to reflect on what it means to become more truly Christlike. Lucado's insights are culled from scriptural reflections on the life of Christ.
