## Does Your Thankfulness Affect Others?

*“He threw himself at Jesus' feet and thanked him – and he was a Samaritan” Luke 17:16.*

While cleaning out her locker at the end of sixth grade, one of my daughters hung a thank you note to the custodians, who were so impressed with this that we received a letter from the school commending her. Just the other night over dinner, another daughter said that she saw the thank you note, now years later, displayed in a janitor's closet. Perhaps common courtesy isn't all that common. That's what Jesus encountered anyway when, after he had healed ten lepers of their physically and socially debilitating disease, only one returned to thank Him—and one who was not of God's people. This is another issue for us today. How often it is when those outside of Christ act more Christ-like than those who've committed to become like Him with their baptism! Members of Christ's body should be shining the light of thankfulness through the murky world of self-absorbed people who take the kindness and service of others for granted. But do we? It begins with realizing what Jesus has done for us and throwing ourselves at His feet.

Does your thankfulness affect others?

## Prayer List:

**Porter Osburn (Grandson of Garry & Calvina)**...He is in Children's Hospital in Little Rock, AR, being treated for a bowel obstruction.

**Bill & Virginia Springer**.....They were able to return home to OK this week.

**Doug Boyle**...He has been having heart spasms. All tests were clear, but he has been put on daily nitro. Unfortunately, the nitro is causing severe headaches. He will see a heart doctor the first week in January.

**Maci (Nichols) Campbell**... She had surgery on Thursday to remove the benign tumor in her breast. It went well, but she is in quite a bit of pain.

**James Waide**... He is back at Garland Rd Nursing but is still in quarantine due to the C. diff infection. He has been placed on Hospice care.

**Garry Osburn**... Thankfully, he is home and doing much better this week. He appreciates all the prayers!

**Victoria Torres (Mother of Victor)**...She is home now and doing better. They removed the tube from her stomach, which had caused the infection, and she will start dialysis three days a week.

**Amy Schmidt (Mother of Jessica)**...Amy is still not feeling well. She has had a cough for 4 weeks now.

**Ms. Murphy (Jessica Schmidt's history teacher)**.....She has pneumonia.

**Yee Kow Lee**...He has been having trouble with nausea and had his liver tested on Thursday. They should get results this week.

**Eddie Morris (Cousin of Polly Watkins & Chris Nakvinda)**... His brain tumor is cancerous, and they are trying chemo to shrink the mass.

### Please continue to keep these loved ones in prayer:

**Mike Nichols**...He has moved to Baptist Village. Please do not visit just yet to give him plenty of time to get acclimated.
