“But I Don’t Want To Do It!”

I read about a chef that was fired. He was a good chef. Trained at the best cooking school. Had a flair for bringing out the best taste in food. His work ethic was beyond reproach. So, why was he fired? Because he wouldn’t wash his hands. Customers had noticed in the restaurant’s restroom and complained. Many had walked out. When asked why he didn’t wash his hands, his answer was truthful – “I don’t want to do it.”

Moses “didn’t want to do it.” No, it had nothing to do with proper hygiene. He couldn’t imagine himself being God’s spokesman before Pharaoh. But God convinced him to take the job. The Lord would provide whatever was needed for the task at hand. Moses just needed to understand that Jehovah wasn’t requesting that he go back to save the children of Israel. God was commanding him to go (Exodus 3:1-22).

Similarly, we need to understand that the Lord didn’t just ask that we help him in saving others, he commands it. If you’ve been saved from your sins, it is expected that you will help the Savior find others to save (Matthew 28:18-20).
